World Myths and Legends in Art Minneapolis Institute of Arts

Myths are stories that explain why the world is the way it is. All cultures have them. Throughout history, artists have been inspired by myths and legends and have given them visual form. Sometimes these works of art are the only surviving record of what particular cultures believed and valued. But even where written records or oral traditions exist, art adds to our understanding of myths and legends.

The World of Myth An Anthology by David A Leeming

To ask other readers questions about The World of Myth, please sign up. Be the first to ask a question about The World of Myth One of the criticisms I've read of this book is that it hammers you over the head with a single interpretation, the Joseph Campbell approach. While that's certainly true, I
